Establishing of a Child Nursing Room (CHILD ROOM)  
which is exclusive for the Sailing's World Cup Series,  
Gamagori

To support the participating athletes, stakeholders and spectators who bring their babies and infants to the regatta.

The Japan Sailing Federation Ladies Committee has organized CHILD ROOM free of charge at many sailing competitions .

However this time, at the Sailing's World Cup Series, Gamagori, Japan Sailing Federation Ladies Committee, will open a CHILD ROOM at Kaiyoh Yacht Harbor as a temporary facility.

The first time when Japan Sailing Federation established a CHILD ROOM was in 2002 at special Yacht Harbor during the National Athletic Meeting of Kochi Prefecture and since then the activities of the CHILD ROOM attracted the attention of various sports organizations.

At the CHILD ROOM, baby beds, picture books, toys etc. will be prepared and several staff including a licensed nurse will be on duty.

Babies and infants up to approximately 6 years are eligible to use the CHILD ROOM and it can be used from 9 A.M. till 4 P.M. during the days sailing races are held.

The CHILD ROOM can be use not only by the participating athletes and stakeholders of the regatta but also by spectators. Meaning that if observation boats are available, spectators can leave their baby and/or infant at the CHILD ROOM while watching the races from the boat.
